

The Town of Ledyard Clerk will assist those town residents who would like to receive their Covid Booster. To find out if you qualify, please click the link below.

<https://covid19vaccine.health.ny.gov/booster-doses-frequently-asked-questions#eligibility>

To register you will need to know the following:

- Type of vaccine previously received
- Dates when vaccine administered to them

Please bring your CDC vaccination card to the clinic as well as your insurance card and drivers license if applicable.

At this time, we have no date for the next booster clinic but we will gladly put you on a list and call you as soon as we can get you registered.
